Membership Application

Thank you for your enquiry and for showing interest in our service. For only 70p per week for 50 weeks of the year you can receive as many of our 15 talking newspaper titles as you can listen to. On registering with us you will be sent a yellow plastic postal wallet that will have a printed plastic card in a front sleeve. The card will have our address on one side and your address on the other. When you are finished listening to the tape, which you will find inside, you simply return the tape in the same wallet with the Cue and Review address card showing. Whether you return the tape on time or not you will automatically receive the next edition. One print copy of the Radio Times is currently 95 pence and one week of the Scottish Sun in print costs £1.45. I am sure that you will agree therefore that 70p per week for access to all our titles is good value for money. You can either pay by completing the enclosed standing order which should then be sent to your bank or alternatively you can pay by credit or debit card by telephoning 0141-563-0306 or by sending a cheque made out to Cue and Review Recording Service to the above address.

Yours sincerely
